

BOARD OF DIRECTORS

The PGA of America Board of Directors is comprised of the President, Vice President, Secretary, Honorary President and 17 directors who establish Association policy. The directors include representatives from each of The PGA's 14 districts, two independent directors and a member of the PGA Tour. The independent directors were added to the Board in February 1984, following a restructuring of the policy-making group at the PGA Annual Meeting in November 1983.
